## **Experience Yoga In Its Motherland**

### **Welcome to Divine Harmony Yoga Center!**

Shree Yog Anand, founder of Divine Harmony, warmly welcomes all to a 10-day life-transforming Yoga retreat in Rishikesh, India – the Yoga capital of the world.

Replenish your being. Let your ego melt away and your authentic divine nature shine forth, as you enter the heavenly abode of the ancient Yogis of India.

### **Enter the unearthly aura of divinity.**

Situated on the banks of the holy Ganges, this place is a striking epitome of the ancient spiritual heritage of India. For millennia, the ageless yogic tradition has painted every corner of this picturesque landscape with a distinctive celestial concord.

The place offers the perfect balance of Shiva and Shakti. While the higher frequency vibrations of the place are ideal for dynamic Yoga practices such as Asana and Pranayama, the ethereal, tranquil ambiance facilitates deep soul-searching through Meditation.

### **Are you ready to take a deeper dive into your divine self?**

Then don't miss this golden opportunity to experience the power of Yoga in its own motherland.
